## Friendship Auction 2008

Once again a Friendship Auction will be held during the Big Band Dance. The Auction adds fun and excitement to the evening but also serves another important function. One third of the revenue generated from the Big Band Dance arises from the Friendship Auction, so its success is very important.

We need your help:

1. Can you donate an item for the silent auction? Items can be from your place of employment or perhaps you have a new or unused gift item at home that you would like to contribute. Popular contributions over the years have included gift baskets, golf shirts, art prints, movie passes, hand crafted items and music lessons. Use your imagination.
2. Canadian Tire money is a great donation as we can use it to buy auction prizes. The students can drop off money in the fundraiser box in the band room.
3. Do you know the owners of local business or would you be willing to approach local businesses for donations? We can supply you with donation request letters. Please let me know whom you will be approaching so we can avoid duplication. All donations and company names will be acknowledged at the dance.

Please drop off your donations to the band room by April 23.

Thank you for your support,
